Certificate Course on Statistical Analysis Using MS Excel and SPSS

7. Certificate Course on Statistical Analysis Using MS Excel and SPSS:

Data analysis using the statistical packages has become a basic necessity in all academic and analytical research. Spreadsheet developed by various software manufacturers provides an interactive platform where in researchers can not only store data but also perform varieties of statistical analysis. The MS-Excel and SPSS are two of the most popularly used spreadsheet-based packages which helps the researcher in performing various analytical operations. The MS-Excel in particular has several in-built functions that allows the user to execute financial, mathematical and statistical operations. MS-Excel has advanced applications such as Macros, VBA, etc., that will be useful to users to carryout tedious operations with ease. Further, many of the research and industry-based applications can be carried out using Excel and SPSS packages. Keeping this in view this certificate course was intended to Commerce and BA (Economics) students of the college. It aimed to provide advanced technical skills in the use of these statistical packages and familiarize the students to carry empirical research work. Duration of this course was 30 contact hrs. Total 29 students enrolled for this course and 21 students have successfully completed the course.

Certificate Course in English language Basic Skills- LSRW- Listening Speaking Reading Writing

9. **Certificate Course in English language Basic Skills- LSRW- Listening Speaking Reading Writing:**

Over the years we have realised that quite a few students coming from non-English speaking countries need to upgrade their skills in English language. They experience numerous difficulties in understanding the language and in communicating in it. Although these students are otherwise brilliant, they are likely to lag behind in their studies mainly because of their deficiency in English language. With a view to assisting students and to develop their English language skills, the college has launched a Certificate Course in English language Basic Skills-LSRW- Listening Speaking Reading Writing. Duration of this course is 30 contact hours. 61 students enrolled and successfully completed this certificate course.
